Chat messaging between visits*	✗	✓	✓
Use of our app Providing the ability to track your food intake and receive post-visit notes from your dietitian	✓	✓	✓
Investment	\$375	\$625	\$975 (\$100 savings compared to month-to-month)

* Extensive chat messaging that requires >30 minutes per month by your dietitian will incur an additional charge. Your dietitian will let you know if she recommends the unlimited chat messaging option for you.

You may add progression sessions after your chosen Starting Line Plan is complete

Additional visits after the start-up plan: \$125 per 45-minute visit

Monthly chat messaging: \$50 if you have a scheduled follow up visit that month, \$75 if you do not have a scheduled visit that month

Additional Services:

Sweat Sodium Testing: \$179 for 2 tests

Comprehensive Race-Day/Week Meal Plan: Starting at \$175, price will be adjusted depending on the number of days you require meal planning

We accept HSA/FSA cards, but we do not accept insurance. We can provide you with a superbill for you to submit to your insurance company for possible reimbursement. Please let your dietitian know if you plan to use an HSA/FSA card for payment.
